

intro to modern calligraphy

Learn the popular art of modern calligraphy in this fun, hands on 2 hour workshop. Taught by a local calligrapher, students will learn how to draw letters in the modern calligraphy style, strokes, and how to join letters to make words in simple and easy to remember steps. Students will create a word or simple quote on a framed glass panel to take home!

What you'll get

- 2 hour guided workshop
- all exemplars and practice sheets
 - 1 brush pen
- framed glass picture

Choose from three sessions!

- Saturday July 21, 1-3 pm
- Saturday August 11, 1-3 pm
- Saturday, September 29, 1-3 pm

About the instructor

A professional calligrapher based in Newbury Park, Kristina Virtue owns her own design studio fulfilling both wedding and corporate orders. When she's not home schooling her two young daughters, she enjoys museum visits, cooking, playing at the beach, and walking her dog. Classically trained as a calligrapher in London, Kristina brings over 15 years experience to the class to help students learn the art of modern calligraphy. You can learn more about Kristina and see samples of her work at www.kristinavirtuedesigns.com or reach out to her with additional questions at (805) 405-7032
